Re: Scientific Chemical Processing
Newark, New Jersey

Dear Ms. Feldstein:

This is in response to Mr. William J. Librizzi's letter of February 12, 1985 requesting documents and information concerning a hazardous waste site identified as Scientific Chemical Processing at 411 Wilson Avenue, Newark, New Jersey. Our response includes the response to a similar letter dated February 25, 1985 sent to our F&FP Department, Washington Road, Parlin, NJ 08859.

Documents relating to Scientific Chemical Processing, Inc., Presto, Inc., and Energall Corp., all of 411 Wilson Avenue, which we have discovered in our search of records are attached.

As per our agreement on March 13, 1985, we will provide you our answers to the questions attached to Mr. Librizzi's letter on April 8, 1985. We appreciate the additional time to compile the data from the documents.

If you need further information, you may contact Mr. Carl B. Everett at (302) 774-2978 or me at (302) 774-7075.

Sincerely,

Paul R. Wilkinson

PRW/dsc
